Current report no. 6/2011

Public opening of bids for reconstruction and expansion for the waste treatment plant in Maszewo

The Management Board of Przedsiębiorstwo Robót Inżynieryjnych "POL-AQUA" S.A. based in Piaseczno ("the Company") reports that a public opening of bids for the project "Reconstruction and expansion of the waste treatment plant in Maszewo - stage II implemented within the project Improving waste water management in Płock, stage I co-financed by the European Union with funds from the Cohesion Fund within the Operational Programme Infrastructure and Environment 2007-2013" took place today at the registered office of Wodociągi Płockie Sp. z o.o.

The most attractive bid for implementing this project was submitted by P.R.I. POL-AQUA S.A. amounting to PLN 51,275,915.92 net.

As specified in the tender documentation, the project is to be delivered within 26 months from signing the agreement.

The Contracting Party, i.e. Wodociągi Płockie Sp. z o.o., is due to examine the bids placed in formal terms and with respect to their compliance with the terms of reference. The contract shall be awarded and the agreement shall be signed after the procedures stipulated in the Public Procurement Law have been completed.

P.R.I. "POL-AQUA" S.A. shall report on the further course of the tender proceedings in current reports.

Legal basis: Article 56 (1) (1) of the Act on Public Offering – confidential information
