Current Report No. 5/2013

**Selection of the most advantageous Public opening of offers for the design and completion of construction work on the Koluszki – Częstochowa section**

The Management Board of Przedsiębiorstwo Robót Inżynieryjnych "POL-AQUA" S.A. with its seat in Warsaw (hereinafter referred to as the "Company") reports that today the Company received a letter from PKP Polskie Linie Kolejowe S.A. in Warsaw.

The letter notified that in the open tender proceedings for "Design and completion of construction works for the project of improving the quality of transport services by improving the technical condition of railway line no. 1 at the Koluszki – Częstochowa section", the most advantageous offer was considered the offer of a consortium consisting of:

- Przedsiębiorstwo Robót Inżynieryjnych "POL-AQUA" S.A., Warsaw – Leader
- DRAGADOS S.A., Madrid – Partner
- Vias y Construcciones S.A., Madrid – Partner
- Electren S.A., Madrid – Partner.

The value of the contract amounts to: PLN 483 300 000 net. which was reported by the company in the current report no 32/2012.

Entities participating in this tender may, within 10 days from the date of selection of the most advantageous offer, appeal to the National Board of Appeal.

The contract shall be signed after the procedures stipulated in the Public Procurement Law of 29 January 2004 have been completed.

P.R.I. "POL-AQUA" S.A. shall report on the further course of the tender proceedings in current reports.

**Legal basis:** Article 56 (1) (1) of the Act on Public Offering – Confidential information
